

Concept Map Document Cover Sheet

Document: Mentor Job Announcement

School District: Rochester School District

Context: This document was produced after the first year of our mentor/mentee program. It was posted in each building as well as the District Office. This document can be found under the standard of Mentoring, element of Selection Process.

Purpose: To inform potential applicants about the mentor application process, expectations, necessary qualifications, and compensation with respect to the available mentor position.

Goal(s): To attract qualified applicants to apply for the mentor position.

Reflection: It was very beneficial to us as we hired new mentors.
